

MEETING NOTICE

Oyster Restoration Research in Apalachicola Bay

Agenda Item for Discussion

at the SMARRT Meeting

July 27, 2015

from 6 – 6:30 PM

Apalachicola Community Center

Scientists from the University of Florida, and resource managers from the Florida Fish and Wildlife Conservation Commission and the Florida Department of Agriculture and Consumer Services will provide an update regarding the five-year experimental research project that is happening in Apalachicola Bay. This is a project funded by the National Fish and Wildlife Foundation. The project will examine oyster health, productivity, reef structure and water quality to support the bay's oyster industry in the long-term.

All interested persons from the community are invited to attend.
